Thank you for recognizing our values and service excellence at VDMC!

Our Focus is You

Our Focus is You

Our Mission:

To be the best rural healthcare provider in the State of Iowa.

Our Values:

Compassion

We recognize the needs of others and respond by showing we care.

Accountability

We believe in employee ownership and a commitment to always perform at our best.

Respect

We appreciate the importance of each encounter and treat one another with dignity.

Excellence

Using our collective strengths we work together to exceed the expectations of patients, families, physicians and staff.

Service

We create an environment that focuses on the very core of our organization – to serve others.
